**ORDER:**

It was brought to the notice of the Government that Sri L. Surender, while working as Executive Engineer(M), Warangal had allegedly committed certain irregularities in construction of compound walls at Cattle Yard and Cotton Yard in A.M.C., Bhainsa, etc. Accordingly, in the reference 2<sup>nd</sup> read above, departmental proceedings were initiated by framing the following article of charges against him:-

**Charge-1:** *“That Sri L. Surender, Executive Engineer(M), Warangal executed the work of construction of balance compound wall sanctioned at cotton yard at cattle yard. The work sanctioned at cotton yard was deliberately not taken up and now part of cotton yard, i.e. 1 acre 3 guntas stand encroached, resulting in several lakhs of property in litigation. He has connived with local residents for encroachment of government land.*

**Charge-2:** *“Further in violation of administrative sanction, from compound wall at cotton yard, a road work was executed at cattle yard by Sri L. Surender, Executive Engineer(M), Warangal. It was done with a malafide intension. Why 50% of 7,57,000/- i.e. Rs.3,78,500/- expenditure incurred should not be recovered from Executive Engineer(M)?”*

**Charge-3:** *“The road work so laid against sanction was found less during inspection of S.E.(M), Hyderabad, gravel compacted 15 cm against payment made for 30 cm and metal found at 5 cm compacted against 10 cm thick paid. That means 50% of work was fraud. The expenditure incurred was Rs.3,07,725/- out of which there was no work for Rs.1,53,863/-“*

**Charge-4:** *“During pendency of further investigation with regard to metal sizes etc. Sri L. Surender, Executive Engineer(M), Warangal ensured that part of the work was re-laid to tamper with evidence. During re-execution of the work officers inspected and police complaint was lodged besides taking video graphing, to show the status of the re-laid work. Even this was not as per standard specification as was paid. He connived for removing evidence. This was nothing but criminal conspiracy”.*

2. The Charged Officer has submitted his written statement of defence denying the charges framed against him. As the written statement of defence submitted by the Charged Officer was found to be not convincing, Government have entrusted the case to the Commissioner of Inquiries for common inquiry into the charges framed against the aforesaid Charged Officer and along with two other Charged Officers.

3. After conducting a common inquiry, the C.O.I.-CK has furnished the Inquiry Report concluding that the prosecution could not establish the case against the Charged Officer Sri L. Surender, Executive Engineer(M)(now retired) and other two Charged Officers in the above case and recommended that the charges be dropped against all the three Charged Officers.

(PTO)

4. Government, after careful examination of the matter, have decided to accept the Inquiry Report of the C.O.I.-CK and drop further action against the Charged Officer Sri L. Surender, Ex-Executive Engineer(M), Warangal and Executive Engineer(M)(Retired), Guntur.

5. Accordingly, Government hereby drop further action against Sri L. Surender, Ex-Executive Engineer(M), Kadapa and Executive Engineer(M)(Retired), Guntur, as the charges are held not proved in a common inquiry.

6. The Commissioner and Director of Agricultural Marketing, Hyderabad shall take necessary action in the matter, accordingly.
